Dear Editor,

I am writing to inform you and the readership of the Archives of Pediatric Neurosurgery about the upcoming Latin American Congress in Pediatric Neurosurgery, organized by ASOLANPED. The event will take place in São Paulo, Brazil, from August 12 to 16, 2025.

This prestigious congress will bring together leading experts, researchers, and practitioners from across Latin America to discuss the latest advances and challenges in the field of pediatric neurosurgery. The congress will provide a unique opportunity for knowledge exchange and professional collaboration.

Among the scientific highlights, there will be two specialized courses focusing on Oncology, Hydrodynamics, and new technologies, designed to enhance the skills and expertise of the participants in these critical areas. Additionally, a dedicated microsurgery course, organized by Professor Feres Chaddad, will be held at the Federal

University of São Paulo (Unifesp), providing hands-on training and practical insights from renowned specialists.

We believe that the congress will significantly contribute to the advancement of pediatric neurosurgery in the region and foster valuable interactions among professionals. We kindly invite the readership of the Archives of Pediatric Neurosurgery to participate and gain from this enriching experience.

Thank you for considering this announcement. We look forward to welcoming participants from around the globe to São Paulo this August.

Sincerely,

Javier Gonzalez Ramos – President of ASOLANPED
Ricardo Santos de Oliveira – President of CLANPED
2025
